Anti-Fatigue Mats for Offices

**Ergomat Optimal Smooth Chair Mat**

- Maintains a comfortable exchange of working position between standing and sitting
- Works on carpeted surfaces and hard flooring.
- Durable 1/8” thick vinyl surface protects resilient ¼” thick foam base
- Top surface provides a solid foundation for rolling casters and chair glides
- Foam layer provides continuous comfort under foot while standing
- All edges beveled for safety

**24” x 36”**

---

**Sit-Stand Smart Mat**

- Foot activated, which allows the mat to "move like magic".
- Easily moved back and forth under the desk without bending or lifting.
- Proven to increase standing times.
- Also the most comfortable mat on the market for sock, stocking or bare feet as the soft, breathable, support isn't sticky or hot.

**22” x 32”**

$99/mat

Choice of 3 colors: black, grey, brown
Specify if for hard floor or carpeted floor
