Directions for Proper Donning:

Properly donning your PFR95* N95 Particulate Filter Respirator may feel a little awkward at first, but it will become easier with repeated applications. Please use the instructions to the left when applying this respirator.

Tips for Achieving a Good Fit:

If you have a problem successfully Fit Checking your respirator, try the following tips:
1. Use a mirror while adjusting the respirator.
2. Ask someone to look for hair or earrings that might be caught in the seal.
3. Make sure the headbands are positioned properly. It is especially important that the top headband is on the crown of your head, as it is designed to hold the bottom of the respirator snug against your chin.

NOTE: If after trying these tips you are still unable to successfully Fit Check your respirator, see your supervisor or respiratory protection coordinator.

DO NOT PROCEED WITH YOUR ACTIVITIES UNTIL YOU HAVE SUCCESSFULLY FIT CHECKED YOUR RESPIRATOR!!
