

# Duke MOVES Tip

## Falls Prevention – Safe Patient Transfers

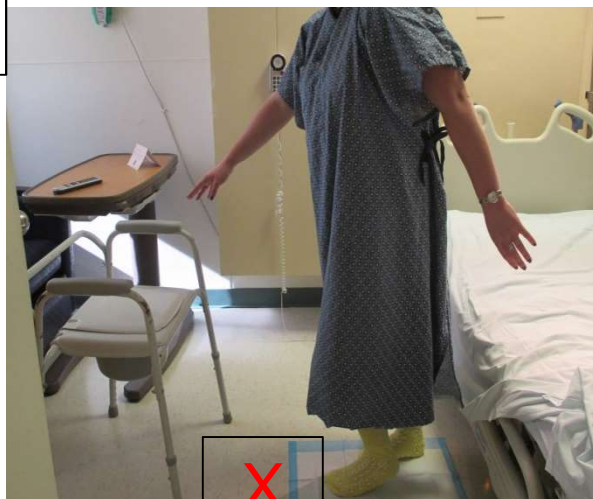

Place BSC/  
Chair on  
pt's strong  
side i.e. if  
stroke pt  
place on  
unaffected  
side

\*BSC  
placement  
\*pad on  
floor

**←↑WRONG↓**

**↑CORRECT↓→**

**YOU stay within  
arms' reach or  
as close as  
possible to pt  
when pt toileting  
or ambulating to  
assist, if  
needed**
