

LAB SAFETY AWARENESS WEEK

February 10-14, 2025

We celebrate Lab Safety Awareness Week to help you build a strong safety culture in your lab!

Join us with a friend on one of the dates below for demonstrations of safety equipment, trying on PPE, and some goodies.

Fitzpatrick CIEMAS near the Auditorium

101 Science Dr

Tuesday, February 11th – 11 AM - 2 PM

Thursday, February 13th – 11 AM - 2 PM

Several divisions from the OESO will be present, so ask any questions about general lab safety, biological safety, ergonomics, fire safety, radiation safety, etc.

Other ways to participate:
