

# LAB SAFETY AWARENESS WEEK

February 12-16, 2024

We celebrate Lab Safety Awareness Week to help you build a strong safety culture in your lab.

Join us with a friend at one of the locations below for demonstrations of safety equipment, trying on PPE, and some goodies.

**Fitzpatrick CIEMAS near the Auditorium** 101 Science Dr

**Wednesday, February 14<sup>th</sup>**

**11 AM - 2 PM**

**MSRB III Main Lobby** 3 Genome Ct

**Thursday, February 15<sup>th</sup>**

**11 AM - 2 PM**

Several divisions from the OESO will be present, so ask any questions about general lab safety, biological safety, ergonomics, fire safety, radiation safety, etc.

Other ways to participate:

- Check out one of the free webinars at the *Academic Lab Management Digital Summit* on Tuesday, February 13<sup>th</sup>:  
<https://duke.is/z/sasn>
- Post an Info Sheet in your lab: <https://duke.is/r37y9>

**Duke** Occupational & Environmental Safety Office
